

Commentary for Derbyshire Probation Trust Protected Characteristics Offender Data for the Year ending September 2011

The data on the following pages shows the number of:

- Pre Sentence Court Report Proposals & Pre Sentence Court Report Outcomes (sentences) by Sentence type.
- Pre Sentence Court Report Proposals & Pre Sentence Court Report Outcomes by Requirement for Community Orders & Suspended Sentence Orders.
- Community Order & Suspended Sentence Order Outcomes at Order termination showing “Successful Completions”, Orders “Revoked for Failure to Comply” & Orders “Revoked for a Further Offence”.
- Community Order & Suspended Sentence Order Requirement Outcomes at termination showing “Successful Completions”, Requirements “Revoked for Failure to Comply” & Requirements “Revoked for a Further Offence”.
- Breaches of Community Orders & Suspended Sentence Orders for all Offenders supervised over the year (this being higher than the Caseload figure which is a snapshot).
- Recalls to Prison for Offenders on a Post Release Licence over the period (this being higher than the Post Release Caseload).
- Caseload, as at September 2011 broken down by Community Orders, Suspended Sentences, Pre Release Custody & Post Release Custody.

All the above are broken down by the Offenders protected characteristics, these being:

- Gender
- Disability (including those with Mental Health issues & Learning Disabilities).
- Mental Health issues alone.
- Learning Disabilities alone.
- Ethnicity, subdivided into 16 ethnic categories & those with either a missing ethnic category or those choosing not to disclose it. Subsequent reports will include the categories of Gypsy or Irish Traveller & Arab.
- Age, subdivided into 5 bands.

Currently Sexual Orientation, Gender Reassignment, Pregnancy & Maternity & Religion are not included. Dependent on the replacement for the current Probation database later in the year, there may be the possibility to report on these additional protected characteristic.
